Dear Madam Secretary Rosemary Chiavetta,

This is a response to a letter stating that my PUC authority is being revoked due to failure to maintain evidence of Cargo insurance with the Commission. Please reference DOCKET NO. C-2017-2602319 and PAPUC-A-00117288.

It was not the intent of Eby Sawmill to be negligent in this matter. We have switched insurance carriers for this policy term, and the Form E was filed for liability coverage. However, filing Form H was missed, or fell through the cracks somehow. Form H has been filed with the commission in relation to proof of cargo insurance. I am also asking that the fine of \$500 be waived, since no criminal or illegal conduct was intended.

Thanks,
Durrel Eby
