Hello, I am Terry M. Perryman, Jr. of T.M. Perryman Landscaping. Our PUC # is A-8917644. We received a complaint, Docket # C-2017-2603861, stating that we did not maintain liability insurance. It stated we were under suspension effective January 20, 2017.

But we received a letter February 22, 2017 stating that you received evidence of liability insurance and that we may immediately resume operations.

It was a problem with our insurance filing on time. We have never had a lapse of insurance. Thank you for your time. If you could please wave the \$500.00 fine, it would be greatly appreciated.

Enclosed is a copy of that document. If there are any further problems or questions, please contact me at 814-359-2039.

Thank you,

Terry M. Perryman, Jr.
