RE: Initial License Bond
C.I.S. Energy LLC

Dear Mr. Porter:

Please find under cover of this letter the financial instrument filed by C.I.S. Energy LLC because it is not acceptable.

The Commission requires a supplier to file an original bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code, including naming the Pennsylvania Public Utility Commission as the beneficiary or obligee of the security instrument along with all other required information on the document.

The expiration date on the bond is in the past. As the corrected bond has already been received by the Commission, no further action on your part is required at this time.

Sincerely,

Rosemary Chiavetta
Secretary of the Commission
