RE: Updates Bond
Ultimate Energy Advisors LLC
Docket Number A-2011-2255323

Dear Mr. Kaplan:

Please find under cover of this letter the financial instrument filed by Ultimate Energy Advisors LLC because it is not acceptable.

The Commission requires a supplier to file an original bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code, including naming the Pennsylvania Public Utility Commission as the beneficiary or obligee of the security instrument along with all other required information on the document.

The bond language is based on an outdated template. Please revise using the most recent version of the template (available on the Commission website and also attached).

This letter is being sent to the address listed as the attorney on Ultimate Energy Advisors LLC's original application, because the copy initially sent to the main mailing address for Ultimate Energy Advisors LLC was returned by the Post Office as "Attempted Not Known". **Please note that you are required to notify the Commission of any changes in contact information.**

Please file the corrected, originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery.

Sincerely,

Rosemary Chiavetta
Secretary of the Commission
