Re: Cancellation Notice C-2017-2582850

To Whom It May Concern:

We have received a letter stating that our PUC number (A-8912567) has been cancelled due to the lack of proof of insurance being filed. I was not able to send the policy in time because I was out of the country on a missionary trip, however, I did send the proof in January, but for some reason it was not recorded on our account.

After talking with a representative from PUC today, I understand that I need to pay the \$500 fine and fill out a new application.

You will find a cashier's check for \$500 dollars for the fine, and I will be sending an application to have a PUC account opened up.

Thank you in advance for your help.

Sincerely,

Andrey Vensky
