The case docket number: A-2016-2578367

To Whom It May Concern:

I have contacted my State Farm insurance agent after receiving a letter from PUC requiring me to submit an E-Form, H-form and tariffs to PUC.

An agent, who was in charge of my cargo insurance, completed the H-form in short time and forwarded it to PUC.

When I showed a letter from PUC with requirements to my State Farm agent, who was in charge of my E-form, she said that their insurance company doesn't do E-Forms. This got me by surprise because prior to that they took a copy of PUC's E-Form requirements and said they would prepare it, but it would take some time.

I have demanded a certificate of insurance from them, where all my trucks were listed, and I have sent it to you.

When I received a letter of rejection from you, I was very upset and remanded from my insurance company an explanation why the preparation of my E-Form was so delayed.

After that they told me that I would have to pay them \$220.59 for the E-Form for 6 months. After 5-6 days, the agent contacted me by phone and told me that the E-Form was filed, and everything was in order. It was on 06/13/2017.

The tariff has been submitted through TriState Tariff broker and should have been already received.

I would like to ask you to kindly reconsider your decision of rejection, and give me a little more time or another chance to submit all the required documents and forms. I would greatly appreciate your understanding!

Thank you in advance,

I, Dilmurod Jalilov, hereby state that the facts above set forth are true and correct (or are true and correct to the best of my knowledge, information and belief) and that I expect to be able to prove the same at a hearing held in the matter.
