Request for Telephonic Hearing

I am physically unable to travel into the city for the hearing due to health problems that include:

- Balance problems
- Lung condition that is worse in warm weather
- Difficulty walking short distances
- Overall weakness and pain

I have given this a lot of thought because I really want to be there in person but conclude that the trip and being out in the heat and walking would be a mistake for me.

Thank you for your consideration.
