**Re: Duquesne Light Company 2017-2019 Universal Service and Energy Conservation  
Three Year Plan – Request for 6 month Extension to Submit New CAP bills and  
Communication Plan  
Docket No. M-2016-2534323**

Dear Secretary Chiavetta:

On March 23, 2017, the Pennsylvania Public Utility Commission (“Commission”) issued an Order directing Duquesne Light Company (“Company”) to work with interested stakeholders, including parties to this proceeding and members of its Income Eligible Program Advisory Group, to evaluate and modify its CAP bills and communications and to file and serve proposed changes to its CAP bills and communications by June 30, 2017. The Company hereby requests a 6 month extension, until December 29, 2017, to submit its new CAP bills and communications plan for review and approval. The Office of Consumer Advocate (“OCA”) and the Coalition for Affordable Utility Service and Energy Efficiency (“CAUSE”), are the record parties in this proceeding and have authorized the Company to state that they are not opposed to a 6 month extension.

As explained in the letter filed with the Commission on June 23, 2017, the Company has held numerous stakeholders meetings (with the parties, BCS and IEPAG) and is making significant progress toward reaching a consensus on a new CAP design that will provide greater affordability for Duquesne Light CAP customers. The Company proposes to implement a new CAP bill design and communications plan concurrently with the new program design. The Company will continue to develop its proposal for a CAP bill and communications plan with the input of interested stakeholders over the next several months.

Please feel free to contact me with any questions, comments or concerns.

Respectfully Submitted,
