Re: Request to reschedule Conf. Call due to Medical Emergency (case #C-2016-2555083)

Dear Honorable Judge Heep –

I wanted to let you know that I received your call on last week regarding the hearing conference call. Unfortunately, my daughter suffers from a disability (Chronic Bi-Polar Disorder) and was having a manic episode and I was unable to receive the call. During these episodes, she goes into extreme anxiety and debilitating panic and mania and, as her primary and only care taker, I have to manage her emergency medical care. I did call back within 30 minutes of the call and spoke with your assistant but she confirmed that the court reporter had already left for the day.

Therefore, I respectfully request that the hearing be rescheduled at a time convenient for yourself and PECO due to this unfortunate occurrence.

I can provide documentation regarding her disability and details regarding the medical occurrence and situation as needed. Thank you for your understanding.

Respectfully,

*Eric B. Hudson*
