Re: Mayer Krain vs Choice Energy LLC
Docket No. C-2016-2581006

Dear Secretary Chiavetta:

I am in receipt of a Motion for Admission of Gabrielle A. Figueroa Pro Hac Vice and a Motion of Admission of Murray E. Bevan Pro Hac Vice. Their "sponsor" is the same attorney in Harrisburg, being Michael A Guin.

I would hope that more scrutiny would be made on what we have already seen with these two individuals regarding just this case.

Ms. Figueroa failed to have these documents (Pro Hac Vice) before or at the hearing on May 25, 2017. She had filed an unsuccessful motion to "participate in the hearing telephonically" on April 20, 2017. (see Interim Order #1, My exhibit #4). Was that because she was failing to obtain the necessary "sponsorship" and deceive the courts?

Mr. Bevan wrote in his letter dated March 7, 2017 paragraph 1. (my exhibit 9) which read "Choice has not identified any outbound calls to either your home or cell phone number on that date, or on any date after December 28, 2016". Was this a true statement? Mr. Bevan should have "known better", because of my letter signed January 17, 2017 (my exhibit # 11) stating a call was received from 732-807-5614 at 1:49 PM on 12/28/16. It was also shown on my caller ID (my exhibit #6).

Also in Mr. Bevan's letter dated March 7, 2017 (my exhibit #9) paragraph 2., he states "Choice can confirm that the phone numbers identified by you have been used by Choice's telemarketing vendor". I identified those telephone numbers on January 17, 2017 (my exhibit #11).

All this time of representing Choice Energy LLC, Mr. Bevan also was not "able to represent them in this case" because he did not have the appropriate "paperwork".

Thank you for your consideration.

Sincerely,

Mayer Krain CPA
