Ref. No. 995

Mr. Benjamin H. Kapenstein
The PFM Group
One Keystone Plaza, Suite 300
N. Front & Market Streets
Harrisburg, PA 17101

Dear Mr. Kapenstein:

**Municipal Authority of the City of McKeesport
Engineering Proposal
for
Cost Summary Report**

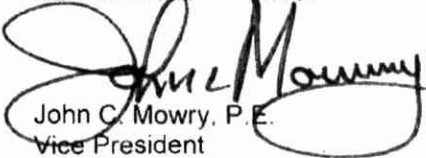

As per our telephone conversation on November 17, 2016, KLH Engineers is pleased to submit this proposal to complete a cost summary report necessary for the acquisition of the McKeesport Authority Sewage System by PA American Water.

KLH Engineers will compile the original costs for the entire infrastructure which is currently in operation. Tables will be created which show when items were put into service and their value at that time. KLH will either use actual cost based on the information we have, or will use current costs for similar structures and trend the costs as needed. The costs will be determined for the McKeesport, Duquesne, Dravosburg, and Port Vue systems.

KLH Engineers proposes a fee of \$20,000 to complete this work. Should you have any questions or comments, please feel free to contact me.

Very truly yours,

KLH ENGINEERS, INC.

John C. Mowry, P.E.
Vice President
