TO PENNSYLVANIA-AMERICAN WATER COMPANY

Docket No. A-2017-2606103

Data Request 1

Data Requests A-2 through A-13 refer to information provided in the Application's Appendix A-5.

A-4. The invoices from AUS show hourly rates that differ from the amounts specified in the valuation service agreement. Please explain why hourly rates differ from the amounts specified in the valuation service agreement and provide supporting documentation that justifies the rates charged.

Response: There are no individual consultant fees. The overall contract for the McKeesport appraisal was \$32,000 which is the fee that was ultimately charged for the initial appraisal. The fees per hour in the progress billings were reflective of the activities being performed and are not specifically the hourly rates quoted in the post appraisal activities.
