SECRETARY'S BUREAU

Dear Sir/Madam:

This letter is to inform you that RJR Services, Inc. ceased business operations on June 30, 2017 and no longer operates a business in the state of PA or anywhere else, for that matter.

That is the reason the insurance on the trucks were cancelled. The insurance company told me that they would inform you of the closure, which is why I didn't. I apologize for the delay.

Sincerely,

Roy C. Green
President
