RE: Keith and Doreen Braun v. Duquesne Light Company
Docket No. C-2017-2609480

Dear Secretary Chiavetta:

We have received the Duquesne Light Company's Preliminary Objections to our Formal Complaint.

The formal complaint challenges the Duquesne Light company's objective to remove 13-15 trees as a transmission circuit runs through our property at 306 Elfinwild Road, Allison Park, Pennsylvania 15101.

At this time, we would comply with trimming all vegetation in said right-of-way, however, we stand firm in believing that the trees in question do not impede on the Duquesne Light Company's right-of-way to require complete removal.

It is our understanding that the Commission lacks jurisdiction to resolve dispute regarding property rights.

Please respond with the next course of action required.

Sincerely,

Keith E. Braun *Keith E. Braun 7/22/17*
Doreen L. Braun *Doreen L. Braun 7/22/17*
