

MISSION STATEMENT The pa Public Utility Commission balances the needs of consumer and utilities, ensure safe and reliable utility SERVICE at reasonable rates. Protects Public interest, Educates consumers to make independent and informed choices, what a joke. If you protect the public interest you would allow the consumer to have a lawyer also. When I had my so called hearing I wasn't allowed due process as I couldn't get a word in edge wise.

Just how can I prove my case when I was NDT Given a chance to say anything. ~~nothing~~ I do NOT agree with anything that the Law judge said, Please Note any thing sent by fax or email will not be accepted for filing unless you're the utility company. Reason I have my bill on the back is it talks about what I am legally owe on the bill. Not what Met Ed wants where did the Judge get all off the cases stated in his illegal decision? where does the consumer get this at? The PUC Really protects the public interest.

Messages
Your current **PRICE TO COMPARE** for generation and transmission from Met-Ed is listed below. For you to save, a supplier's price must be lower.
Standard Residential - 0002410336 - 6.96 cents per KWH

Your next meter reading is scheduled to be estimated. If you would like to provide us with an actual reading, please do so between Jun 25, 2017 and the close of business on Jun 27, 2017. See the back of this bill for more information.

Your bill includes \$2.61 in PA taxes, of which \$2.09 is PA gross receipts tax.

Generation prices and charges are set by the electric generation supplier you have chosen. The Public Utilities Commission regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

On occasion, we may contact you regarding work scheduled near or at your property. If you need to update your contact information, please call 1-800-545-7741. Or, if you are registered on our website, click on "Manage My Account" and then "Update Contact Information."

For your safety, if your service has been disconnected, do not attempt to reconnect it. While this is illegal and could result in prosecution, removing a meter base or touching any of the wires can also cause death or serious injury through arcs of electricity, explosions or fire. Meters are only to be accessed by authorized utility personnel.

An important message to dog owners - to ensure that our meter readers' visits to your home are safe and productive, please keep your dog secured in an area away from the path to your meter.

All of our employees wear photo ID badges. Always ask for an employee's ID before letting anyone in your home. If you are still not sure, please call the company.

Met-Ed - Payment Plan Amount	53.00
