Francis M. Camara V. Philadelphia Gas Works; In Re; F-2017-2599732

Subject : Appeal

Dear Commission,

By this writing to you, just for better legal satisfaction with these objections below unfollow by the Judge:

- 1-The incapacity of the company to investigate my matter in the building since December 2016;
 - 2-Her incapacity to answer my complaint with you;
 - 3-Her incapacity to better serve me when I loosed my account at 6854 Elmwood Ave.; after 7 months living without gas, but only electric, for help to get it and pay my due by multiple calls to December 2015 to July 2016 (with my online account). ~~He~~ was just being happy for her late fees again me(maybe, online services are spirits for her).
 - 4-Stupid settlement for,\$1038 and some cents, with \$233 and some cents down payment, and \$79 plus by monthly for 60 months ;imposed by her representor to the Judge, after justifying her higher charges by windows broken and cooking gas by mouth (maybe they living in these kind of apartments or houses by paying \$700 plus per month, not me).
- I'm not sitting and sleeping home days and nights ,I'm hard worker to take care of my family and pay my taxes.
- 4-Her false smartness to set-up my monthly pay due at \$190 plus ,after setting up my first payment plan at \$182 per month by her fault since August 2016 and to say she don't care about my apartment size.
 - 6-Her incapacity to send me a copies of the settlement.

Sincerely,

Francis M Camara
