vs.

Docket No. C - 2016-2567445

PGW - Philadelphia Gas Works, Public Utility,
Respondent

COMPLAINANT'S MOTION FOR ADDITIONAL SANCTIONS

The Complainant is seeking another Motion for Sanctions for the Respondent's and the Respondent's alleged Attorney, Ms. Gracile Christlieb's continual lies and continual refusals to honor the laws and the rules.

1. During the June 15, 2017 PUC's Hearing, Ms. Christlieb as well as Judge Christopher Pell violated the Complainant's Rights, Violated Due Process, and Violated the laws by denying the Complainant of her Rights to place her own statements on her PUC's Case. The Complainant informed the Judge that in addition to what she had said, she wanted to submit her signed statement on the records. Then, Ms. Christlieb told Judge Pell that the Complainant was not allow to give testimony and submit something in writing, and because the Complainant gave her testimony that she could not submit her signed statement for the record; which, is a major violation by Ms. Christlieb and Judge Pell. It shows their duplicity in this case. It also shows Judge Pell's bias, Abuse of Power, Abuse of Discretion, Bad Faith, and etc..., and the Complainant is seeking sanctions. The Complainant already suspected that the Court's Transcript will be tampered with as to why they have denied the Complainant's Sister entry into the Hearing Room during the rest of the hearing that is supposed to be opened for the public.
2. Even though Judge Pell denied and refused to sign Complainant's Subpeano to obtain additional information from PGW, Ms. Christlieb still refused to supply Complainant with the requested information. Complainant is still seeking sanctions. Ms. Christlieb stated that the Complainant has had Gas Services in her name before, but Ms. Christlieb and PGW still refused to produce the truth/documents of proof.
3. Ms. Christlieb disclosed personal, private, and protected information to the PUC and to Judge Pell. Ms. Christlieb disclosed the Complainant's Social Security Number (SSN) and Date of Birth (DOB), and the Complainant does not want it released to the public. She should of redacted that part of Exhibits that had the Complainant's SSN and DOB ! Again, the Complainant is seeking sanctions.
4. Ms. Christlieb and PGW - Philadelphia Gas Works continued to lie, and the pictures of July 02, 2017 proves that. See attachments of two pictures that proves the Complainant's entire case. The Complainant complained about the PGW and the City of Philadelphia trying to steal our house/property by their deceptive bills and liens, by inflated billing, fraud, bad faith, violations of the laws and rules, and the attached pictures PROVED the Complainant's Case. According to PGW and their Attorney, they stated that when Gas Service was terminated at 1629 Newport Place in Philadelphia, PA

19122, the Gas Meter Reading was at 2695 ccf on May 06, 2016; however, as of July 02, 2017 the Gas Meter Reading that is listed on the Gas Meter in the Complainant's House read that we used 1670 ccf, which proved the Respondent's continual pervasive overinflated Gas Bills that the Complainant and her family has been subjected to as well as complaining about.. Not only is this FRAUD, IT IS THEFT BY DECEPTION, AND ETC..., and the Complainant are still seeking sanctions against Ms. Christlieb and the Philadelphia Gas Works.

5. Sanctions for the Respondent's and Ms. Christlieb's continual refusals to submit their answers and Verification Page/Statement on the record/file pertaining to the Complainant's Document that is labeled "Resubmissions and Additions to her Motion to Compel Documents, Records, and Questions Answered by PGW".

WHEREFORE, in addition to sanctions, the Complainant is seeking fines, and any other disciplinary actions that could be charged/performed against PGW and the City of Philadelphia, the Owners of PGW. The Complainant is also demanding a return of ALL of the monies that has been paid, along with delaying damages, interests, penalties, and etc... Also, the Complainant expects a Court Ruling that satisfies the Fraudulent Liens as well as other relief as stated in the Complainant's Late/Additional Exhibits Submissions.
