RE: License No A-2010-2211385

Dear Secretary Chiavetta,

I would like to draw to your attention that the PUC has my company designated as a retail energy supplier and not an energy broker. This mis-identification is causing me problems, as you can imagine, with the PA Department of Revenue. They want to charge me for Gross Receipts collections which of course I do not collect.

Can you please have my designation changed to broker? And can you provide me with a letter acknowledging that this has been corrected so that I can show the Dept of Rev.? Thank you.

Sincerely,

John Tobelmann  
President
