RE: Level 3 Communications – Docket No. A-2017-2605601

Dear Secretary Chiavetta:

Enclosed for filing please find amendments and revisions to the Application of Level 3 Communications (“Level 3”) filed on May 19, 2017 at the referenced docket number. Level 3 respectfully requests to withdraw the tariffs provided under attachment 4 of the original application and provides tariff pages reflecting the changes to the Company’s tariff that will result from the proposed expansion into the service area of TDS Mahanoy & Mahantongo Telephone Company (“M&M TelCo”).

In addition, the filing includes an amended page 7 to the original application which corrects a typographical error that misidentified the proposed service territory expansion. This amendment makes clear that Level 3 seeks an expansion to serve in the M&M Telco territory.

As evidenced by the attached Certificate of Service, Level 3 is serving these amendments and revisions to the application upon the statutory parties and the affected incumbent local exchange carrier.

If you have any questions or concerns, do not hesitate to contact me.

Sincerely,

Edward G. Lanza, Esq.
