Re: Northwood Manor Management LLC  
Docket No. A-2017-2597492

To Whom It May Concern:

On March 29, 2017, we submitted the PA Pipeline Operator Annual Registration Form for Northwood Manor Management, LLC, for the distribution of Propane Gas. The facility is located at 1300 York Haven Road, York Haven, PA 17370.

As of today, that facility has been decommissioned. The propane tank was pumped empty on August 23<sup>rd</sup>, flared off on August 24<sup>th</sup>, and removed on August 25<sup>th</sup>. The distribution system piping was flushed with nitrogen gas to evacuate any residual propane on the system.

Crews are now removing the remaining above ground fixtures (meters, pipe and valves); this will be completed by the end of the week.

Sincerely,

  
James Perano  
Green Leaf Gas Co.
