PA PUBLIC UTILITY COMMISSION  
SECRETARY'S BUREAU

Dear Ms. Chiavetta,

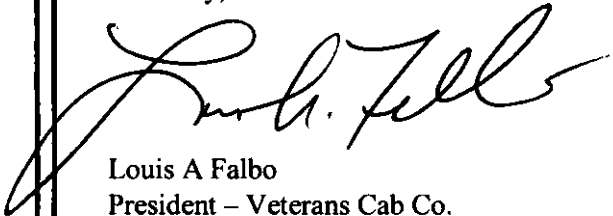

We would like to provide an answer to a complaint sent to our company on August 23, 2017. It is numbered C-2017-2598594.

Veterans Cab is asking that the fine corresponding to this complaint be absolved.

We provided service outside of an area listed on our tariff as an act of public good will. In the last several years many of the taxi companies in our county have closed their doors. These companies no longer provide service to a large portion of the community in need. The citizens of Greensburg, the county capital, are especially in need since Greensburg Yellow Cab ceased call and demand service. This resulted in us receiving a large number of calls for transportation in the Greensburg metro area. Although the city of Greensburg is not explicitly named in our tariff, we felt that because the citizens of that city no longer have a call and demand carrier we could serve these citizens as an act of public service. Additionally, with the state wide onset of companies like Uber, the PUC has seemed to make it clear that operating areas are all but obsolete. We would like to continue to provide service to the citizens in need and have contacted Robert Bingaman to update our tariff.

Please let me know if you would like more information.

Sincerely,

Louis A Falbo  
President - Veterans Cab Co.
