Professional Experience

New Wave Energy Corporation, Founder & President (2009 - Present)

- Founded New Wave Energy Company as a full service energy management company helping businesses of all sizes take control of energy expenses.
- Built partnership agreements with various business organizations including manufacturing associations and chambers of commerce across North America.
- Coordinated various training issues to promote ongoing professional development and goal setting for staff.
- Created multiple specialized cooperative purchasing programs for businesses and municipalities to purchase energy supplies at drastically discounted wholesale cooperative rates.
- Organized, designed, and built New Wave Energy's web-site (www.nwaveenergy.com) and all sales and promotional material including mail-outs, product give-a-ways, tri-folds, etc.

ED Energy, National Accounts Executive (2008-2009)

- Developed innovative new sales and marketing campaigns for specific target markets and geographical areas.
- Conducted full sales cycles with customers from prospecting potential clients, initiated contact with decision makers, performed cost-savings to cost-benefit analysis for customer, conducted presentations, and executed agreements.
- Attended conferences and trade shows on behalf of the company.
- Created a sales channel or affiliate partnership program and promoted to other organizations as a means for them to create additional revenue streams.

Energy Curtailment Specialists, Operations Analyst (2006 - 2008)

- Worked in the Operations Department overseeing day to day activities within the company
- Worked with customers on coordinating meter reads and installations
- Worked with many ISO/RTO organizations throughout New York, New Jersey, Pennsylvania, California, and Texas
- Analyzed customers bills and payments for accuracy and performed audits on utility bills across 35+ different utilities

Bella Vista Group – Genesee Engineering, Project Manager (2001- 2006)

- Managed large scale development projects including the design and layout of various strip malls in the Western New York Area.
- Gathered zoning and property information from various levels of local governments and also represented Bella Vista Group and Innovative Realty at town and village board meetings.
- Managed full scale projects from pre development land prospecting and feasibility studies to post development property management and tenant contracts.

Lancaster, NY Parks and Recreation Department, Recreational Assistant

- Worked camps and leagues instructing sports and other activities
- Taught children fundamentals of sports
- Refereed games and created drills for skill building amongst children
