Pennsylvania Public Utility Commission
400 North Street
Harrisburg, PA 17120

Dear Ms. Chiavetta:

American PowerNet Management, LP (APNM), License A-110173, is a licensed EGS in Pennsylvania and is, to the best of our knowledge, in good standing in regards to all of our business affairs with the Commonwealth of Pennsylvania.

APNM wishes to request a reduction in its EGS Security to a level equivalent to 5% of its most recent 12-months of Pennsylvania revenues.

Our check in the amount of \$350.00 for this filing fee accompanies this letter.

Copies of this request are being provided contemporaneously to all of the required statutory agencies and to all of the electric distribution companies in the Commonwealth. A signed Certificate of Service accompanies this letter.

A spreadsheet with details of our monthly gross receipts for the most recent four calendar quarters also accompanies this letter.

A Tax Status Letter of Good Standing from the Pennsylvania Department of Revenue is also included with this letter.

APNM hereby requests that the Commission approve a reduction its EGS Security to \$2,214,941 and that such approval be granted in as timely a manner as possible.

Should any additional documentation be required please contact me directly.

Thank you.

Sincerely,

Eugene F. Carter, Jr.
Chief Financial Officer
