Executive Director  
Scranton-Lackawanna Human Development Agency, Inc.

**Re:** Docket # M-2017-2596907

The SLHDA, Inc. serves Lackawanna County in providing Universal Service Programs and Energy Conservation Programs to income eligible families, senior citizens and other vulnerable groups in the community to assist them with energy savings that result in lower energy costs thus allowing them to remain in their homes.

Community Based Organizations are aware of where the target population resides and how to reach them at the lowest possible cost.

Sincerely,

Sam Ceccacci  
Executive Director
