Dear Mr. Logan:

Re: Security Requirement for Onix Energy

Philadelphia Gas Works ("PGW") is aware that Onix Energy has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the service territory of Philadelphia Gas Works. You have stated that, in performing these services, Onix Energy will take title to any delivered natural gas.

Under its tariff, Philadelphia Gas Works could require Onix Energy to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate. Upon final approval of your application to PGW and prior to enrolling customers, security in the first year for firm pools will be required based on your estimated firm pool size. It will be updated annually based on actual firm pool size.

At this time, Onix Energy does not need to post a bond or other form of security.

If you have any questions concerning the foregoing, please contact me at 215-684-6725.

Sincerely,

JOHN C. ZUK
Vice President, Gas Supply
