Ms. Chiavetta,

This letter is to report several apparent errors in the filing of documents associated with the above case.

A review of the on-line list of documents shows a Certificate of Service dated June 8, 2017. That Certificate of Service is identified clearly, but does not appear to have been stamped.

The associated document, meanwhile, which accompanied the Certificate of Service, an "Answer to Motion" [for summary judgment], is absent from the list.

An E-file Confirmation for 1680653 (enclosed) confirms that the "Answer" was received along with the Certificate of Service.

A copy of the submittal was also provided to PPL Electric via Mr. Christopher T. Wright, and I retain a copy in my own files.

Please assure me that the missing document will be entered in the online record and will be accessible along with other documents associated with this case.

Respectfully submitted

  
Larry Moyer
