To DECO Energy Co. Shawane L. Lee Esq  
PUC Rosemarie Chiavetta, Secretary  
RE Notice to Plead PACode 5.342.

I am objecting to questions concerning  
my complaint regarding a smart meter being  
forced on my home. C-2017-2616249

Questions you submitted are  
overreaching and do not address the  
issue... that these meters are dangerous  
to my health and dwelling. I go to great  
lengths to insure that my health is not  
impacted by radiation devices. I can  
choose to NOT use cell phone, microwave  
and other devices that give off EMFs.  
I CANNOT choose to turn off smart  
meter or not use one.
