Subject: rescheduling of case :F-2017-2605672

dear madam: I am requesting that the hearing case F-2017-2605672 concurrently scheduled for Wednesday, October 11, 2017 be rescheduled for December 8 2017. Would it be possible for a relative and house mate to attend a meeting as my representative? Is it necessary to have a resident of the home in question to be in the court if they are not needed for any testimony? If it's at all possible I would prefer that a court appointed representative serve as testimony to my complaint in absentia. If December the 8th is not available; then any day in the first week of December would be an alternative. Thank you very much for this consideration.

Good afternoon Judge Vero,

PGW has no objection to the case being continued. I have checked my calendar and have Dec. 8th available. I ask that the Court let the Complainant know that if he wishes to be represented at the hearing, an attorney must be the one to do so and that anyone wishing to give testimony will have to be present so they can be cross-examined.

Thank you.
