Re: Traci Morton v. PECO Energy Company
Docket No.: C-2017-2622439
Request for Continuance

Dear Judge Hoyer,

This letter is in reference to a request for continuance due to a surgical procedure, scheduled for the same day as the telephonic hearing, on November 9, 2017. My apologies for the late notice as it was just scheduled today. I contacted counsel for PECO Energy Company, Shawnae Lee, who stated that she had no objection to the continuance providing I was able to furnish proof of the procedure after it takes place.

If you have any questions, please contact me directly at the number listed above.

Respectfully,

Traci Morton
