**RE: Nancy Zeibari v. PECO Energy Company
PUC Docket No. C-2017-2617281**

Dear Judge Heep:

On November 6, 2017, PECO received the Complainant's request to withdraw the above-referenced matter. Attached is a copy of the Complainant's withdrawal. The withdrawal provisions at 52 Pa. Code § 5.94(a) state:

Except as provided in subsection (b), a party desiring to withdraw a pleading in a contested proceeding may file a petition for leave to withdraw the appropriate document with the Commission and serve it upon the other parties. The petition must set forth the reasons for the withdrawal. A party may object to the petition within 20 days of service. After considering the petition, an objection thereto and the public interest, the presiding officer or the Commission will determine whether the withdrawal will be permitted.

Please be advised that PECO Energy has no objection to the Complainant's withdrawal of the formal complaint. If you have any questions, please contact me at (215) 841-6841.

Respectfully,

Shawane L. Lee
Assistant General Counsel, PECO Energy

Although delicate health does not permit my enduring the stress of paperwork and court appearances, we still do not consent to having a Smart meter. At the same time, we cannot face a stoppage of electric current, especially in consideration of my husband's upcoming cataract/glaucoma surgery and convalescence (v. Northern #4592038 Ophthalmic Tealinton and Morisha Vora M.D. Wills Eye Hospital). The mid-February deadline would be a help, but 'indefinite' is what is necessary.
