PETITION FOR EXTENSION OF TIME

Norfolk Southern Railway Company (“Norfolk Southern”), by and through its counsel, Nauman, Smith, Shissler & Hall, LLP, hereby files this petition for extension of time to perform the work ordered in the Commission’s Secretarial Letters dated January 26, 2011 and January 6, 2016, pursuant to 52 Pa. Code § 1.15, based upon the following:

1. Paragraph 7 of the Secretarial Letter dated January 26, 2011 ordered Norfolk Southern to perform all work to construct any remaining track or signal work that results from the proposed work involved with the Pennsylvania Department of Transportation’s project to widen SR 0019, Section P02, where the public highway crossed under one track of Norfolk Southern Railway Company (DOT 367 280 V) in Waynesburg Borough, Geene County. Pursuant to numbered Paragraph 8 of the Secretarial Letter, the work was ordered to be completed on or before June 30, 2015.

2. The Pennsylvania Department of Transportation was not able to complete the alteration project by June 30, 2015, and requested an extension of time until December 31, 2017 to perform the project work.

3. Paragraph 1 of the Secretarial Letter dated January 6, 2016, granted the Pennsylvania Department of Transportation the extension of time to December 31, 2017.

4. Norfolk Southern is now unable to complete the required work by the December 31, 2017, due to heavy train traffic at this area in the winter months.

5. As the remaining work involves only railroad facilities, the requested extension will have no effect on the traveling public or the public safety.

WHEREFORE, Norfolk Southern Railway Company respectfully requests an extension of time until August 31, 2018, to complete the crossing alteration project ordered in numbered Paragraph 7 of the Commission's Secretarial Letter dated January 26, 2011 and Paragraph 2 of the Commission's Secretarial Letter dated January 6, 2016.

Respectfully submitted,

NAUMAN, SMITH, SHISSLER & HALL, LLP
