Docket # C-2017-2627446

To Whom It May Concern:

I am writing this letter on behalf of my business SNK Contracting Inc which we had applied for a PUC Number. In the time of the application process for the PUC Certification we decided to get out of the trucking business. We no longer have any trucks there for we have no use of the PUC number. I have attempted several times to call the number provided and I have left several messages with no calls back. I was unable to get the certified Letter mail to me due to the hours of the post office being during the work day I was not able to get the letter from that post office. I hope we can resolve without any major issues. We never were able to use the number that was provided to us therefore I did not know we would have to issue any kind of a cancellation of the PUC. If someone could please contact me on my cell phone to discuss any further actions we may need to take to resolve this. I am sorry for any problems we have caused, this just turned into more of a problem for myself and you at the PUC and I am sorry for this. So if someone can just advise me on what we need to do to resolve this I would much appreciate it.

Thank you,

Nathan J. Kenney
