Dear Secretary Chiarretta,

Re: Docket no. C-2017-2606028
Wilda M. Schooley v. West Penn Leader Co

Thank you for your help
in getting things to my
satisfaction.

I'm hoping to start feeling
better soon - it's been 2 weeks since
the meter was moved.

When I stopped listening to the
radio in 2014 (only 10 min. a day) it
took over 2 weeks for the knife
cutting pain to leave my body.

With the meter, it was 24/7
for nine months, so it'll take
some time. GOD and good
food supplements helped a lot.

Best wishes,

RECEIVED Wilda Schooley
