Re: Docket No. C-2017-2624010

To whom it may concern:

Outman Equipment, LLC permanently discontinued business activities as of June 1, 2017. My PUC authority has not been utilized since this date. I apologize for the failure to cancel my authority and am willing to cooperate with any necessary means to rectify this situation. I am at this time requesting that my authority be cancelled and that the fine imposed be lifted as the business is no longer operating.

I am awaiting your response and thank you for your understanding.

Sincerely,

Gary Outman
Outman Equipment, LLC
