Re: Richard N. Myers v. PPL Electric Utilities Corporation
Docket No. C-2017-2620710

Dear Secretary Chiavetta:

I have a smart meter hearing scheduled for February 5th with the PA PUC as referenced above.

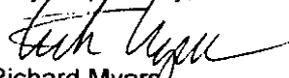

I have received a list of PPL spokespersons who will represent and speak on behalf of PPL at the hearing. However, I have not received any name of a PA PUC spokesperson who will be present at the hearing and who is authorized to speak on behalf of the PA PUC.

I have some questions and subject matter regarding HB2200/Act 129 legislation I wish to address at the hearing which is properly within the cognizance of a PA PUC representative to answer. I don't believe PPL would choose to speak for the PA PUC nor would the PA PUC want PPL to do so.

Accordingly, I respectfully request a PA PUC spokesperson please be present at my hearing with whom I can address my concerns with this legislation which is specific to the PA PUC.

Please advise and thank you.

Very respectfully,

Richard Myers
