Re: *PSEG Energy Solutions LLC Request to Amend Electric Generation Supplier License*
Docket No. A-2017-2637278

Dear Secretary Chiavetta:

PSEG Energy Solutions LLC was issued a license as an Electric Generation Supplier by the Pennsylvania Public Utility Commission on December 22, 2016 in this docket. The license was issued in the name of PSEG Energy Solutions, LLC (with a comma). Please be advised that the correct Company name is PSEG Energy Solutions LLC (without the comma). The Bond filed with the original application did include a comma after Solutions. This is a typographical error. Accordingly, PSEG Energy Solutions will update the name on its bond at the next renewal period to properly reference its actual name.

If you have any further questions, please do not hesitate to contact me.
