Letter of Notification of PPL Electric Utilities Corporation for Approval to
Relocate the South Fogelsville – Breinigsville #1 & 2 138/69 kV Transmission Line in
Upper Macungie Township, Lehigh County, Pennsylvania
Docket No. A-2018-2641151

Bureau of Technical Utility Services Data Requests
(Response dated 01/16/18)

A-1 Reference the LON, Paragraph 15 stating that the steel structures will be 75 and 85 feet high. Please state the height of the two existing transmission structures which will be removed as part of relocating the Fogelsville South – Breinigsville 138/69 kV Transmission Line (Fogelsville – Breinigsville).

Response:

The existing structures that will be removed as part of relocating the Fogelsville South – Breinigsville 138/69 kV Transmission Line are 75 and 85 feet high. Additionally, due to recent revisions to the project design, the new structures will be higher than presented in the January 2, 2018 Letter of Notification. The 75 foot structure will be replaced with a 90 foot structure, and the 85 foot structure will be replaced with a 95 foot structure. All other information regarding the proposed structures as presented in the Letter of Notification, including the structure drawings presented in Attachment 3, has not changed.

(Response dated 01/16/18)

A-2 Reference the LON, Paragraph 18 stating that the cost of the project is \$271,059 which will be paid for by Ridgeline Property Group. Please state the name of the individual or entity that will own and maintain the relocated Fogelsville – Breinigsville.

Response:

PPL Electric currently owns and operates the existing double-circuit South Fogelsville – Breinigsville #1 & #2 138/69 kV Transmission Line. PPL Electric will continue to own and operate the South Fogelsville – Breinigsville #1 & #2 138/69 kV Transmission Line upon completion of the relocation project requested in the Letter of Notification.
