Re: Single Source Transportation Co.

EIN - [REDACTED]
Notice #: C-2013-2366934

To Whom It May Concern:

A notice (attached) dated January 4, 2018 was received stating that a past due fine in the amount of \$500 was owed. Specifically, the notice indicated that a "Secretarial Letter" was issued regarding the Commission order for payment however, I have no record of receiving such letter. Per conversation with an agent at the Bureau of Technical Utility Services, this letter was sent via certified mail and was signed for. We still have no record of receiving such letter, and given the size of our organization, it was likely not given to the correct individuals, which resulted in the letter being disposed of. Single Source Transportation Co. has been a dormant corporation for several years, last providing "motor carrier" services in 2011/2012. In January, of 2015, we finally requested that the Certificate of Public Convenience be cancelled. As of 6/30/2016, Single Source Transportation Co, no longer exists as it was dissolved.

Therefore, we respectfully request that you abate the \$500 fine, as this entity no longer exists and hasn't provided motor carrier services for several years. Your help in resolving this matter is appreciated. Please call me if you have any questions, I can be reached at 515-245-2773.

Sincerely,

Jed D. Alexander
