

January-18-2018

To: PUC Chairman Brown & Vice Chairman Place
From: Gary J Gillen
8009 Colebrook Road
Palmyra, Pa 17078

To Chairman Brown & Vice Chairman Place,

Leave Act 40 that was pass by the Penna General Assembly in Oct.2017 in-tack, to close the solar renewable energy credit (SREC) by permitting only in-state solar systems to qualify for Penna's SREC.

I am a Penna solar owner, I do not want all existing out-of-state solar systems be grandfather in & could continue to receive Penna's SREC's

Referencing docket # ~~M-2017-263~~1527

Yours truly,

Gary J Gillen
