Bureau of Investigation and Enforcement

Dear Mr. Loucks,

Please consider this letter in response to complaint DOCKET NO. C-2018-2641554,  
Date of Service 1-11-2018 and received on 1-23-2018.

I, John Cappiello, owner of All American Logistics, LLC wishes to contest complaint filed  
whereas respondent has renewed insurance with National General Insurance on  
12/6/2017 as may be evinced by attached Declaration Page of said policy renewal.

Only upon being notified by the Bureau did I realize that the documented verification  
from our broker and or insurance company was somehow lost between DMV and PUC  
as told to me by agent. Broker and insurance company are currently rectifying this  
matter.

Respondent earnestly requests that any penalties be waived.

Respectfully submitted,

John Cappiello
