Re: PUC v. Diversified: C-2017-2587825

Mr. Swindler,

We at Diversified Commodities Inc., are in receipt of the notice letter from Rosemary Chiavetta. This letter states that a complaint has been filed against Diversified. #4. of the complaint further states "that respondent, by failing to undergo a safety fitness review, violated...."

We believe that internal records from the state will show that Diversified had undergone a strict inspection of our worthiness to operate our vehicles on the roads of Pennsylvania. With this in mind, it is therefore confusing to received this letter of a complaint.

Further, the second request for inspection of our records, drivers and equipment, a short time (about 2 weeks) after completing a safety inspection was very puzzling. We therefore contest this complaint.

Make it a great day!

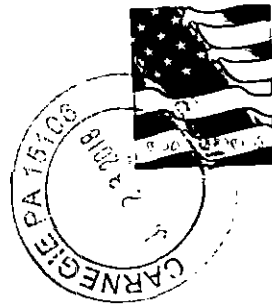

Kind Regards,

Craig M. Bingham
