**Re: Docket No. C-2017-2638380
John Chenosky v. Metropolitan Edison Company
Petition to Withdraw Complaint**

Dear Secretary Chiavetta:

Please be advised on January 29, 2018, I received, *via* fax and U.S. Mail, a signed letter from John Chenosky that he was requesting to withdraw, without prejudice, the Formal Complaint in the above-referenced proceeding.

Metropolitan Edison Company does not oppose the request to withdraw the matter which will close the above-referenced Commission docket.

Very truly yours,

Reger Rizzo & Darnall LLP
