

Dear Pennsylvania Public Utility Commission:

Act 40 is a bipartisan effort designed to boost Pennsylvania-based solar power, ensuring we have a cleaner environment here. Unfortunately, the PUC's current proposed interpretation would grandfather in existing, out of state solar, undermining the growing solar market here in Pennsylvania.

I urge you to implement this legislation as intended by only allowing solar systems within Pennsylvania to qualify for SRECs in the PA market under the Alternative Energy Portfolio Standard.

Signed,

Khalil Nasur-Din	Abdus-Salaam	Philadelphia	PA	19150
