Re: *Marlene McKenzie v. Philadelphia Gas Works*
F-2017-2631977

Dear Judge Brady:

I have an Initial Hearing scheduled before you on Friday, February 16, 2018 in the above matter. I am an 89 year old woman and I am home bound. I have had two knee surgeries, two hip surgeries, I have breast cancer, a fractured pelvis, three cracked ribs and a cracked shoulder blade and diabetes. I have many other medical problems. I cannot take the bus or public transportation as I need my walker to get around and can hardly walk on my own.

In light of all of my medical problems, I am respectfully requesting that you grant me a telephone hearing so that I do not have to find someone to bring me down there, especially with the cold winter weather we have been having. Its very dangerous for me to go out in this weather,

Please advise the date and time of the telephone hearing, if it is allowed. My telephone number is: 267-968-3003.

I thank you in advance for your consideration in this matter

Sincerely,

Marlene McKenzie
