**Harrisburg, PA 17105-3265**

**Cleatus W. Santee, Jr.**  
v.  
**PECO Energy Company**

**Public Meeting held February 8, 2018**  
**2586450-ALJ**  
**Docket No. C-2017-2586450**

**MOTION OF CHAIRMAN GLADYS M. BROWN**

Before the Commission today is the Complaint of Cleatus W. Santee, Jr. alleging an inability to pay and seeking a payment arrangement. Complainant previously defaulted on two Commission-issued payment arrangements and one by PECO (Respondent), although Complainant subsequently retired those arrearages.

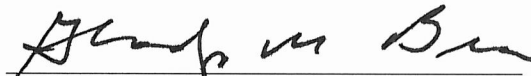

Complainant's income when the last payment arrangement was established was \$7,028.27 per month for a household of three individuals. The record shows that Complainant's current income is \$1,133.60 per week minus a garnishment of \$160.45 per week for child support.

Section 1405(d) of the Public Utility Code, 66 Pa.C.S. § 1405(d), authorizes the Commission to establish another payment arrangement if there has been a change of income of 20% or more for complainant's whose income exceeds 200% of the federal poverty level or a decrease of 10% or more for complainant's whose income is 200% or less of the federal poverty level. As the record shows that Complainant's income has dropped more than 20%, under Section 1405(d) the Commission can establish another payment arrangement. The matter should be remanded to the ALJ for the limited purpose of establishing a Commission-issued payment arrangement based on the record evidence of a change of income.

**THEREFORE, I MOVE:**

1. That the matter be remanded to the Office of Administrative Law Judge for the limited purpose of establishing a payment arrangement based on the record of Complainant's change of income under Section 1405(d);
2. That the OSA prepare an opinion and order consistent with this Motion.
