

2/8/18

Robin Callahan

v.

PECO Energy Company

C-2017-2635820

Your Honor:

Please allow this notice to serve as a request for a postponement of my hearing currently scheduled for 2/15/18 in regards to the above mentioned case. Due to my medical condition, I was out of work 1/18 – 1/29. My employer has refused to grant me the time off to attend the hearing. I cannot afford to jeopardize my employment, especially with my current medical condition and the amount of time missed from work.

Can you please reschedule for a time that is after 3/1/18? Please advise if this is amicable.

Sincerely,

Robin Callahan
