Re: Larry R. Kramer and Ellen M. Kramer v. Metropolitan Edison Company
Docket No. C-2017-2630621

Dear Judge Watson:

On January 23, 2018, Metropolitan Edison Company (“Company”) issued discovery to Larry R. Kramer and Ellen M. Kramer (“Complainants”). On February 2, 2018, the Complainants objected to all of the Company’s discovery and has not yet provided responses to the discovery.

Please allow this letter to serve as notice that while the above-captioned matter is still in the mediation phase of the above-captioned matter, the Company intends to try to attempt to coordinate with the Complainants to resolve any discovery disputes before it becomes necessary to file a motion, but the Company is reserving its right to move to compel should that effort become futile and the parties need to move onward with hearing.

Should you have any questions or concerns regarding this information, please feel free to contact me.

Very truly yours,

Lauren M. Lepkoski
