Dear Secretary Chiavetta:

Please accept this letter as my formal comments regarding M-2017-2631527. As a co-sponsor of SB 404, I support the comments submitted by the legislation's prime sponsor, Senator Scavello.

Electric distributors should have to purchase their credits from within the Commonwealth to protect Pennsylvania-based solar credits and put us in line with our neighboring states. Closing the borders ensures that PA rate-payers are supporting jobs, investment, and tax revenue here in Pennsylvania.

I ask that the PUC stay true to the intent of Act 40 as detailed in Senator Scavello's letter dated 12/27/17.

Sincerely,

A handwritten signature in cursive script that reads "Stewart J. Greenleaf".
