Dear Ms Chiavette,

Enclosed is a copy of a letter Dated January 24, 2018 I received from the PUC, stating that we failed to maintain Liability Insurance. We have never been out of compliance with maintaining our insurance policy.

The alleging failure showing we had insurance at that time is also enclosed in this envelope. The commission was waiting for a response from Preferred Medical Transport, which we did not know about. The letter we received notified us that the PUC was notified insurance was in place, and we were able to continue to operate.

We never received a invoice to pay a fine, just a letter stating "Respondent shall pay a fine of five hundred dollars (\$500.00) for failure to maintain evidence of insurance on file with this commission".

We have never failed to be in compliance with the commission and don't intend to be in the future.

We are requesting that the commission take this information as our evidence and compliance, and remove the fine that had been levied against us.

Thank you,

Valerie McMillion  
Corp Secretary
