Pennsylvania Public Utility Commission
Ms. Rosemary Chiavetta, Secretary
Commonwealth Keystone Building
2nd Floor, Room-N201

Dear Secretary Chiavetta,

As the Commission considers the Tentative Implementation Order for Act 40 of 2017, I wish to offer my support of Senator Scavello's public comments regarding M-2017-2631527.

By narrowly interpreting the grandfathering provision as proffered by Chairman Brown and Vice Chairman Place, Pennsylvania will be able to compete more effectively with neighboring states. Through "closing the borders", Pennsylvania will be able to more rapidly realize investment and tax revenue here in the Commonwealth.

I look forward to the Commission's implementation decision and a renewed expansion of solar energy systems in our Commonwealth.

Thank you for consideration of this request. Please don't hesitate to contact me with any questions related to this very important request.

Sincerely,
